Traffic Advisory

Fairfax Road at State Route 178

Security Paving Company will begin excavating and hauling dirt from the Fairfax Road Interchange at State Route (SR) 178 construction site to the old landfill (located on Fairfax Road about one mile north of the freeway) on Thursday, October 25, 2007. Work will occur between the hours of 7 a.m. and 4:30 p.m., Monday through Friday, for several weeks.

Fairfax Road will remain open to traffic, but motorists should anticipate delays from trucks merging into traffic lanes. Motorists are advised to consider alternate routes or allow adequate time in their travel plans when traveling north or south on Fairfax Road in the vicinity of SR-178.

Delays are not anticipated for motorists traveling on SR-178.

All drivers should remain alert to changing traffic conditions and watch for construction equipment and personnel while traveling through the area.
