SR 178/Fairfax Road Interchange Project Westbound traffic to move onto new roadway

The Thomas Roads Improvement Program announces the following traffic alert for motorists traveling on State Route (SR) 178 through the Fairfax Road Interchange project area.

Security Paving Company will move westbound traffic from the existing highway onto the newly-completed ramps on Wednesday, June 11, 2008. The Fairfax Road closure, from SR 178 south to Valley View Drive, will open to traffic at that time.

Fairfax Road will be closed from SR 178 north to Auburn Street to allow work to continue on the overcrossing and freeway improvements. This traffic pattern is expected to last approximately nine months.

Motorists should stay alert and follow traffic and detour signs while traveling through the area. (Please see attached detour map.)

For additional information, please visit the website at www.bakersfieldfreeways.us or contact Janet Wheeler at (661) 326-3491.
