Traffic Advisory

Coffee Road Lane Closure Update

Security Paving Company, the contractor for the Westside Parkway Phase 2 project, will close the two outside northbound traffic lanes on Coffee Road at the Brimhall Road intersection early Friday morning, April 30, 2010, between the hours of 3 a.m. and 6 a.m.

The closure is needed to complete utility pot-holing required for the on-going sewer line installation. One northbound and all southbound traffic lanes will remain open to traffic while work is underway.

Motorists should avoid the area or allow additional time if traveling through the area. The Thomas Roads Improvement Program apologizes for any inconvenience this work causes the traveling public.

For additional information on the Westside Parkway project, please visit our website at www.BakersfieldFreeways.us.
