Traffic Advisory

Rosedale Highway Shoulder Closure

Security Paving Company, the contractor for the Mohawk Street Extension project, is planning daytime shoulder closures on Rosedale Highway at Mohawk Street for the next few weeks, beginning Tuesday, July 6, 2010. The shoulder closures may be in place between the hours of 6 a.m. and 5 p.m. The closures are necessary to work on a new sewer line installation in conjunction with the Mohawk Street Extension project.

This work is not expected to impact traffic, but motorists should stay alert to construction personnel and equipment while traveling through this section of Rosedale Highway.

For additional information on the Mohawk Street Extension project, please visit the TRIP website at www.BakersfieldFreeways.us.
