Lane Closure - State Route 178 Between Morning Drive and Fairfax Road

Security Paving Company, the contractor for the SR 178/Fairfax Road Interchange project, plans to close the westbound outside lane on State Route 178, between Morning Drive and Fairfax Road, on Friday, July 30, 2010. The closure is expected to be in place between the hours of 7 a.m. and noon. The closure is needed to hang an overhead road sign at the interchange.

Motorists may want to select an alternate route or allow additional time if traveling through the area. The Thomas Roads Improvement Program apologizes for any inconvenience this work causes the traveling public.
