## Traffic Advisory

### Lane Closures – Coffee Road at Brimhall Road

Security Paving Company, the contractor for the Westside Parkway Phase 2 project, plans to remove some steel plates and restore the pavement at the Coffee Road/Brimhall Road intersection on Monday, August 2, 2010. This work will be done at night, between the hours of 8 p.m. and 6 a.m., and will require the closure of the northbound middle and outside lanes on Coffee Road.

One northbound lane and all southbound lanes on Coffee Road are expected to remain open to traffic while work is performed. Brimhall Road is also expected to remain open to traffic in all directions.

Motorists may want to select an alternate route or allow additional time if traveling through the area. The Thomas Roads Improvement Program apologizes for any inconvenience this work causes the traveling public.

For additional information on the Westside Parkway project, please visit our website at [www.BakersfieldFreeways.us](http://www.BakersfieldFreeways.us).
