## Traffic Advisory

### Update—Truxtun Avenue at Mohawk Street Lane Closures

Motorists are advised that short-term lane closures, that may reduce traffic to one lane near the Truxtun Avenue/Mohawk Street intersection, will continue on Monday, August 9 and Tuesday, August 10. Closures may be in place between 9 a.m. to 3:30 p.m.

The closures **will not** affect all directions simultaneously; however, while a closure is in effect, only one lane will be open to traffic in that direction so motorists should expect delays. Motorists are advised to avoid the area and use an alternate route during this period. If traveling through the area is unavoidable, please allow for additional travel time.

These short-term lane closures are needed for the contractor to continue removing existing asphalt, sidewalk, curb, and gutter for the intersection expansion work.

The Thomas Roads Improvement Program apologizes for any inconvenience this work causes the traveling public.

For additional information on the Westside Parkway project, please visit our website at [www.BakersfieldFreeways.us](http://www.BakersfieldFreeways.us).
