Traffic Advisory

Lane Closure - State Route 178 Between Morning Drive and Fairfax Road

Security Paving Company, the contractor for the SR 178/Fairfax Road Interchange project, plans to close the westbound outside lane on State Route 178, between Morning Drive and Fairfax Road, on Monday, August 16, 2010 beginning at 6 a.m.

The closure is needed to complete the striping on the westbound off-ramp and the SR 178 mainline. This concludes the major road work on the interchange. Landscaping crews will continue working at the interchange.

The westbound off-ramp is expected to open to traffic by late Monday afternoon.

Motorists may want to select an alternate route or allow additional time if traveling through the area. The Thomas Roads Improvement Program apologizes for any inconvenience this work causes the traveling public.

For additional information on the Westside Parkway project, please visit our website at www.BakersfieldFreeways.us.
